Hotel

We will be staying on the island of Karpathos at Kathy's Island Retreat. Karpathos is the second largest of the Greek Dodecanese islands, in the south-eastern Aegean Sea, between Crete and Rhodes. It boasts 160km of coastline and has not surrendered yet to mass tourism and therefore still retains a genuine, natural and authentic beauty.

Meals

Three delicious, healthy lovingly prepared meals will be offered using local ingredients. The chef uses fresh local herbs and produce to prepare creative menus tailored specifically to meet your dietary requirements. Upon booking please specify any dietary restrictions or allergies. Please also advise if you prefer vegetarian, seafood or meat options.

Yoga Classes

There will be 2 daily optional yoga classes on a “beach day”. On excursion day, we might alter the schedule to accommodate the activity. There will be a vinyasa style practice in the morning and a yin class in the evenings. All levels are welcome and modifications will be given. Props are available. Some yoga experience is recommended.

Christine Eberle

Originally from Germany, Christine lives in Canada and has been teaching yoga since 2006. She has taken several teacher trainings (Vinyasa/Power/Yin Yoga) and many continuing education studies and has a deep understanding of the struggles students may face in class and she hopes to help them break through their edge, grow and feel empowered by trying new things. Her classes are challenging yet light hearted and infused with humour and possibly a very slight German accent. She has previously lead retreats in Central America and Europe. This retreat will be held in English.

Christine is grateful to her many amazing teachers: Michelle Cormack /Shiva Rea/Shawn Corne (Vinyasa Flow), Kinndli McCollum/Baron Baptiste (Power Yoga), Hart Lazer /Ramanand Patel (Iyengar (alignment based) Yoga), Bernie Clark/Diana Batts, Annie Au (Yin Yoga) and more ♥

Everyone and every level is welcome !
